

African Agricultural AI & Drone Initiative

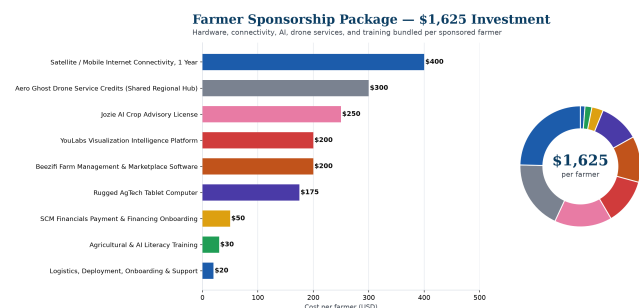

AAADI

Empowering 20 Million Farmers Across Africa Through AI, Drones, Education, and Connectivity

5M Farmers	\$8.1B Budget	8 Countries	24 Months	\$1,625 Per Farmer	5 Tech Partners
----------------------	-------------------------	-----------------------	---------------------	------------------------------	---------------------------

AAADI is a twenty-four-month, \$8,125,000,000 initiative sponsored by the Catholic Project Fund that gives 5 million smallholder farmers across eight African countries a complete precision-agriculture infrastructure — a tablet, a year of connectivity, AI crop advisory, shared drone services, payment processing, and visualization intelligence — so each one finishes the program with a measurably more productive, more profitable farm.

The \$1,625 Farmer Package

Sponsorship Tiers

Tier	Farmers	Investment
Global Partner	500,000 farmers	\$812,500,000
Platinum	100,000 farmers	\$162,500,000
Gold	10,000 farmers	\$16,250,000
Silver	1,000 farmers	\$1,625,000
Individual	1 farmer	\$1,625

Why Sponsor AAADI

- A complete precision-agriculture infrastructure, not an input handout — connectivity, AI, drones, and payments bundled with every tablet
- Transparent, itemized \$1,625 unit economics — know exactly what your gift funds
- Quarterly reporting against published KPIs, for every sponsor at every tier
- Recognition at your tier, from named acknowledgment to a Steering Committee seat

Five Integrated Technology Partners

JOZIE AI AI crop advisory platform	AERO GHOST Precision drone services	SCM FINANCIALS Payments & farm financing	BEEZIFI Farm operations & marketplace	YOULABS Visualization intelligence
